CONTRACTED PARTY: Name: GOODNESS ONWUANAKU

and, Address: LAST BORE HOLE, ADJACENT REDEEMED CHURCH, LUGBE ZONE 9, ABUJA

This instrument has been adjusted between itself, according to the following clauses and conditions:

CLAUSE 1: PURPOSE

This contract relates to the development of a website for We Are People Conference. The 'We Are People' Conference is a youth-led platform aimed at amplifying the voices of young Nigerians and fostering dialogue on governance, innovation, leadership, and national development. To effectively engage participants, disseminate information, and build visibility, we seek the services of a qualified web developer to design and deploy a functional and user-friendly conference website.

Hence, the need for engagement of developer to design, develop, and launch a dynamic, responsive, and interactive website for the 'We Are People' Conference that will serve as the official digital hub for all information, registration, sponsorship, and program activities.

Key activities to be carried out are namely:

The developer is expected to deliver the following:

- 1 Design and deploy a responsive website (mobile and desktop optimized)
- 2 Develop an intuitive and engaging user interface (UI/UX)
- 3 Create key pages including:
 - Home

- About the conference
 - o Speaker's profile
 - o Structure of the event
- Registration
 - o Participants
 - o Exhibitor
 - o Volunteer
- Sponsorship information page
- Programme information Page
- Blog
- Gallery Page (As shown in one of the samples shared)
- Sponsors logo footer
- And other best practice
- 4 Implement SEO and analytics tracking
- 5 Ensure basic cybersecurity and data protection compliance
- 6 Provide post-launch testing and admin team training/support
- 7 User-friendly administrator interface for all features
- 8 User-friendly front-end design and development to optimize public use
- 9 Search function by news/blog, type of publication/guidance, events year;
- 10 Sign up for latest news;
- 11 Integrating a secure and user-friendly payment system for registrations, donations, or other transactions (payment gateway).

The **CONTRACTED PARTY** will:

- Participate in a planning session with the project team to understand the overall project objectives and expectations. Based on the planning session and this TOR, the developer will develop a design concept for the communication platform.
- Develop a user manual and deliver an orientation training for the support staff and system administrators to perform content upload, system maintenance and administration.
- Support and maintenance: Administrative and technical support, quality control for a period of 3 months.
- The developer will adjust concept based on feedback and comments from the

YouthRISE Media team.

- The developer will develop the visual concept and language for the site adapting it to the different components based on feedback. Use official branding colors throughout the website. Branding materials will be shared to guide this.

- Create responsive CSS and graphic design elements

- Optimize the site for low bandwidth users.

- Implement a basic “blog” function with integrated twitter and Facebook posting.

- Browser compatibility. The site must be compatible with the current versions of the following browsers (Firefox, Internet Explorer, Safari, and Chrome), as well as Internet Explorer version 6 onwards.

- Add a comprehensive search functionality to the web site

- Web site content updates: the developer will assist with content update when the changes that have to be made are not possible from the admin interface.

- The contracted web developer will maintain full backup of the web site through the duration of the contract. The backup, code and source files will be delivered in full to YouthRISE on closing of the contract.

- The developer will have an automated testing system that checks for broken hyperlinks on the site.

- The developer will give guidance on using the admin interface of the CMS.

- Test site before going live.
